HALE KIPA

THE HOUSE THAT

BUILT

Dear Hawai'i Business Community,

Hale Kipa is a multi-service, fully accredited 501(c)(3) nonprofit agency that specializes in working with youth who have been historically oppressed and marginalized who often have nowhere else to turn. Hale Kipa has served more than 67,000 youth throughout Hawai'i since its beginning in 1970 as a single shelter on O'ahu.

You've heard us say that Hale Kipa wouldn't be here without the support of individuals and businesses like yours.

But just what does your support actually do?

Your donation, whether monetary or a needed item, helps to provide youth who are homeless with a safe shelter and the services they need.

Would you please consider donating to Hale Kipa today?

Right now, it is critical that we upgrade some of our residential sites which include emergency shelters for youth ages 12-17 and transitional living homes for young adults ages 18-21. Our furniture is very old and worn-down and we believe our youth and young adults deserve to live under better living conditions. We are in desperate need of new furniture. **Any new or gently used couches, loveseats, beds, dressers, dining tables/chairs or desks would be greatly appreciated.**

Make your gift today to ensure that our youth who need our help and support can continue to receive the care they need.

Me ke mahalo nui,
