## Hale Kipa Opens New Headquarters, Launches Rebranding During 50th Year

Hale Kipa held a grand opening ceremony for its new multi-purpose Harry & Jeanette Weinberg Hale Kipa Youth Services Center in West Oahu on March 12. Staff, community members, legislators and other invited guests celebrated with a formal blessing, donor and partner recognition, and tour. Located on 4.28 acres along Old Fort Weaver Road in Ewa, Hale Kipa formally broke ground on the center in December 2018. It will serve as the agency's headquarters and consolidate many programs and operations to improve services, reduce costs and build a sense of place in West Oahu. / [More](#)

## **Punky's Reflections: Hale Kipa's 50th Anniversary**

The actual 50th Anniversary of Hale Kipa's Incorporation took place on January 26, 2020. That is somewhat ironic since January of 2020 was also the month that the agency began to occupy its new Harry and Jeannette Weinberg Hale Kipa Youth Services Center on Old Fort Weaver Road. The 50th Anniversary celebration is the recognition of the contributions and commitments of so many since Hale Kipa was first started in 1970, and in that sense, it marks the end of a chapter. The move to Old Fort Weaver Road represents the beginning of a new chapter. / [More](#)

Each March social workers are celebrated across the U.S. during Social Work Month. This year the theme is “Social Workers: Generations Strong.” According to the National Association of Social Workers, March is an opportunity for social workers across the country to highlight the important contributions they make to our communities. The U.S. has nearly 800,000 social workers confronting some of our most challenging issues facing individuals, communities and society. We are proud to have a dedicated staff of social workers who are helping people to reach their full potential and improving the lives of Hawaii’s at-risk youth every day.
