MISSION STATEMENT

Hale Kipa provides opportunities and environments that strengthen and encourage youth, their families and communities to actualize their potential and social responsibility.

Hale Kipa is a multi-service, fully accredited 501(c)(3) nonprofit agency that specializes in working with youth and their families who often have nowhere else to turn. Hale Kipa has served more than 74,000 youth throughout Hawai'i since its beginning in 1970 as a single shelter on O'ahu.

This includes working in partnership with public agencies and private organizations to provide residential, outreach, and foster care services at no cost. With programs that are flexible and responsive to changing needs, Hale Kipa supports youth involved in juvenile justice, behavioral health, education and child welfare. Program goals include stabilizing young people in crisis and helping youth and families build resiliency to experience success in their lives. Services are flexible, free, creative, and determined by the youth's and family's needs.

All persons are treated equitably and without favoritism, subject to limitations imposed by contractual obligations.

Step-Up Housing Program

Hale Kipa's Step-Up Housing Program on O'ahu allows young adults a choice in their selection of a decent, safe and affordable home on their journey to self-sufficiency.

Under the Family Unification Program, Step-Up Housing provides Housing Choice Vouchers to young adults aging out of foster care. Housing assistance through Section 8 is awarded to young adults for a maximum of 36 months. A voucher allows the participants to rent a home in the community of their choice. Participants initially pay between 30% and 40% of their monthly adjusted income toward rent and utilities, with the balance paid through Section 8.

Young adults can enroll in the program through self-referral or be referred by Hale Kipa, Child Welfare System, or Youth Circles.

Foster Youth to Independence (FYI)

The Foster Youth to Independence (FYI) initiative makes Housing Choice Voucher (HCV) assistance available to Public Housing Agencies (PHAs) in partnership with Public Child Welfare Agencies (PCWAs). Under FYI PHAs provide housing assistance on behalf of:

Youth at least 18 years and not more than 24 years of age (have not reached their 25th birthday) who left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in Section 475(5)(H) of the Social Security Act, and are homeless or are at risk of becoming homeless at age 16 or older.

As required by statute, an FYI Competitive voucher issued to such a youth may only be used to provide housing assistance for the youth for a maximum of 36 months.

In addition to providing up to 36 months of rental assistance, youth must be provided supportive services to assist the young person on their path to self-sufficiency.
