MISSION STATEMENT

Rooted in aloha and kuleana, Hale Kipa is dedicated to supporting and empowering Hawai'i's youth, young adults, and families who are navigating trauma, injustice, and systemic barriers. Through safe and nurturing housing, culturally grounded care, and trauma-informed relationships, we encourage them to discover their passions, embrace their resilience, and thrive as compassionate, responsible leaders in their families and communities.

Hale Kipa is a multi-service, fully accredited 501(c)(3) nonprofit agency that specializes in working with youth and their families who often have nowhere else to turn. Hale Kipa has served more than 74,000 youth throughout Hawai'i since its beginning in 1970 as a single shelter on O'ahu.

This includes working in partnership with public agencies and private organizations to provide residential, outreach, and foster care services at no cost. With programs that are flexible and responsive to changing needs, Hale Kipa supports youth involved in juvenile justice, behavioral health, education and child welfare. Program goals include stabilizing young people in crisis and helping youth and families build resiliency to experience success in their lives. Services are flexible, free, creative, and determined by the youth's and family's needs.

All persons are treated equitably and without favoritism, subject to limitations imposed by contractual obligations.

Empowering Lives - One Youth At A Time

Youth Outreach (YO!)

Each year since 1989 Hale Kipa, in collaboration with Waikiki Health, service hundreds of runaway, unsheltered, and street identified youth and young adults up to the age of twenty-two. The YO! staff develop relationships by effectively engaging a range of youth / young adults with differing ages, ethnicities, sexual orientations, and cultures in a sensitive and respectful manner.

YO! provides street outreach, drop-in services, case management, and health and medical services to youth on a referral or walk-in basis. Youth and young adults are also introduced to a range of services that are critical to transitioning from the streets into a more stable environment.

By taking the services to the streets and providing a “youth friendly” drop-in center, YO! is able to engage youth that other programs may not reach.
