## MISSION STATEMENT

*Rooted in aloha and kuleana, Hale Kipa is dedicated to supporting and empowering Hawai'i's youth, young adults, and families who are navigating trauma, injustice, and systemic barriers. Through safe and nurturing housing, culturally grounded care, and trauma-informed relationships, we encourage them to discover their passions, embrace their resilience, and thrive as compassionate, responsible leaders in their families and communities.*

Hale Kipa is a multi-service, fully accredited 501(c)(3) nonprofit agency that specializes in working with youth and their families who often have nowhere else to turn. Hale Kipa has served more than 74,000 youth throughout Hawai'i since its beginning in 1970 as a single shelter on O'ahu.

This includes working in partnership with public agencies and private organizations to provide residential, outreach, and foster care services at no cost. With programs that are flexible and responsive to changing needs, Hale Kipa supports youth involved in juvenile justice, behavioral health, education and child welfare. Program goals include stabilizing young people in crisis and helping youth and families build resiliency to experience success in their lives. Services are flexible, free, creative, and determined by the youth's and family's needs.

All persons are treated equitably and without favoritism, subject to limitations imposed by contractual obligations.

Empowering Lives - One Youth At A Time

## Hale Huli'au (Transitional Living Program)

Since 1999 Hale Kipa's Hale Huli'au Program on O'ahu has been providing residential services to young adults ages 18 through 21 experiencing being unsheltered to promote their successful transition to self-sufficiency.

Hale Huli'au Program Residences:

- Our **Hale Huli'au 'o Kāne** (Mens' Residence) houses four men at a time, ages 18 through 21.
- Our **Hale Huli'au 'o Wahine** (Womens' Residence) houses four women at a time, ages 18 through 21 (single, pregnant and/or parenting), and up to two babies.

In the program, young adults work toward educational and vocational goals and learn life skills as they transition out of being unsheltered. It is our commitment to honor their strengths and support them in realizing their goals while providing appropriate structure and support.
