## MISSION STATEMENT

*Rooted in aloha and kuleana, Hale Kipa is dedicated to supporting and empowering Hawai'i's youth, young adults, and families who are navigating trauma, injustice, and systemic barriers. Through safe and nurturing housing, culturally grounded care, and trauma-informed relationships, we encourage them to discover their passions, embrace their resilience, and thrive as compassionate, responsible leaders in their families and communities.*

Hale Kipa is a multi-service, fully accredited 501(c)(3) nonprofit agency that specializes in working with youth and their families who often have nowhere else to turn. Hale Kipa has served more than 74,000 youth throughout Hawai'i since its beginning in 1970 as a single shelter on O'ahu.

This includes working in partnership with public agencies and private organizations to provide residential, outreach, and foster care services at no cost. With programs that are flexible and responsive to changing needs, Hale Kipa supports youth involved in juvenile justice, behavioral health, education and child welfare. Program goals include stabilizing young people in crisis and helping youth and families build resiliency to experience success in their lives. Services are flexible, free, creative, and determined by the youth's and family's needs.

All persons are treated equitably and without favoritism, subject to limitations imposed by contractual obligations.

Empowering Lives - One Youth At A Time

## Transition & Aftercare Support Services (TASS)

Transition & Aftercare Support Services provides support for youth transitioning back into the community from the Hawai'i Youth Correctional Facility and their families.

Services are based on an intensive, individualized, and strengths-based approach that focuses on the youth and family's needs and goals. Each family is assigned a Community Advocate who helps them identify and cultivate community relationships and form a network to provide support. Families receive an average of 6 hours of advocacy services each week.

Some youth and families may also participate in our wraparound services, which are provided by a facilitator, navigator and parent partner.
